## **Local Charity Receives County Donation**

Today Supervisor Hansberger joined his fellow colleagues Supervisor Biane and Supervisor Gonzales in their joint efforts to help financially struggling parents of critically ill children. The Board of Supervisors approved a total allocation of \$7,500 from the County's 2007-2008 Priority Policy Needs budget to the Department of Public Health to contract with Steven's Hope for Children, Incorporated.

"I commend my colleagues for supporting me in my efforts to ensure parents with seriously ill children can still receive the health care and treatment they deserve," said Third District Supervisor Dennis Hansberger. "I can only imagine how difficult and painful it must be to have a sick child, let alone the cost for healthcare. Steven's Hope for Children is an excellent non-profit organization that assists families through these tough times, and I am more than happy to do anything I can to assist them in their honorable efforts."

Steven's Hope for Children has been a successful organization within the County that assists financially challenged parents of children who are critically ill.
